

FOG LIT

Welcome to the 3rd Annual Fog Lit Festival!

An amazing team of volunteers has been working diligently to bring you a lineup of fun and interesting events and workshops to pique your curiosity. We aim to encourage your love of reading and writing, whether you are a child, teen or adult!

Who better to ignite passion in readers and writers than the authors themselves?

Fog Lit has enlisted many talented Canadian authors to help with this initiative. Our events and workshops are free of charge, thanks to the wonderful generosity of our many sponsors listed here in our program.

Please make an effort to support our sponsors when and where you can as they make our community a better place to live by providing resources for festivals like ours. Use this program or go to our website to find your good fit events and workshops, then register and have fun at Saint John's Fog Lit Festival.

Happy reading and writing!

Your 2015 Fog Lit
Festival Board

Sept 30th-Oct 4th
